

The United Square Dancers of America's Social Media Committee

Proudly Introduces Our New *Zoom* Series *Beyond the Dance Floor*

Dancing — We all miss dancing! The great news is, as a community we've been adapting to "the new normal". It's been wonderful to see callers and cuers set up virtual dance events. Online groups have been set up to discuss returning to dancing and what precautions need to be taken. IAGSDC even transitioned their International Convention into a "home edition" with virtual dancing and live online activities. Happily, in some areas of the country, clubs are cautiously and carefully beginning to dance again, but there is still more to do.

The **United Square Dancers of America** — USDA — your National dancers' organization, is excited to introduce a monthly series of web-based programs via *Zoom* to support clubs on the business and marketing end of our activity. The programs will be used to introduce more dancers across the country to who/what USDA is, the programs and services we provide, and a way to keep square and round dancing in the forefront of people's thoughts even if they aren't able to get together on the dance floor.

Beyond The Dance Floor – It takes a lot of effort and organizational skills to keep our favorite activity alive and USDA is here to help. From bylaws to event planning, club officer duties, promotion, communications, newsletters, youth and handicapable programs – this series is designed to help groups across the country build and grow your clubs.

Workshops are scheduled to last 90-minutes to allow plenty of time for questions & answers, plus we will welcome input from participants. Our first workshop launches on Saturday, October 10th and our complete schedule is listed on the subsequent pages.

Watch your email, our website and Facebook for links to the actual, **FREE** workshops.
