

# UNITED SQUARE DANCERS OF AMERICA

## NEWS RELEASE

2023-2024\_01

For immediate publication for dancer awareness

## Who and What is USDA?

The **United Square Dancers of America** (USDA) was founded in 1981 by dancers and organized for the square, round, contra, clogging, line and heritage dance communities. USDA aims to support and promote square dancing (and related dance forms) through national-level activity and through providing resources to state and regional levels.

At the Annual USDA Board of Directors Meeting, held on June 21, 2023, in conjunction with the 72<sup>nd</sup> National Square Dance Convention® in Mobile, AL, new officers were elected for 2023-2024. These officers, along with committee chairs, are available to help and support dancers at the local, regional, and state levels. **Please note that we are looking for an Eastern Region Vice President! If you – or someone you know – might be interested in this position, please contact USDA President Ellery & Karen Gulbrand at [president@usda.org](mailto:president@usda.org).**
